

## Yorkshire Brie

Beautifully soft and creamy, handcrafted from Yorkshire milk.

A luxurious, white mould-ripened brie,  
with a deliciously silky texture.

At its peak ripeness, a mouthwateringly oozy cheese with a  
savoury flavour and a clotted cream finish.

Available in 1kg and 230g formats.

### Storage & Care

- Unripe, the cheese is crumbly in the centre, before breaking down to a silky, oozy ripe cheese
- 1kg format – do not stack, only cut to order
- 230g – display as whole cheese, merchandise no more than two cheeses high
- Within refrigerators, store away from fans to avoid drying
- Ideally, wrap cut pieces in waxed paper
