

Welcome to the Yorkshire Wensleydale Cheese Experience

Set in the heart of the Yorkshire Dales is the home of Yorkshire Wensleydale cheese and our fantastic Visitor Centre in Hawes.

Our new interactive experience will take you on a journey in the art of cheese-making, from monastic times through the centuries to today. It also includes the opportunity to watch Yorkshire Wensleydale cheese being handcrafted by our team of master cheese-makers in our Creamery from our Viewing Gallery, plus 'behind the scenes' footage too!

There's fun for the whole family with hands-on games and activities. Have fun driving the children's milk tanker and learn all about how a cow makes milk. Watch clips of your favourite Wallace & Gromit films and discover Wallace & Gromit memorabilia throughout the years – with a photograph opportunity, too!

Demonstrations

Watch as one of our experienced and knowledgeable Cheese Experts carefully crafts a 500g Yorkshire Wensleydale cheese from 8 pints of milk. Our new demonstration area for 2019 will host new cheese-making and butter-making demonstrations as well as fudge-making, cheese pairing and tastings – getting the whole family involved in making Yorkshire Wensleydale cheese!

Why not follow your visit with one of our meal packages, served in our spacious Calvert's Restaurant with stunning views of the Wensleydale landscape.

We are happy to tailor a menu to suit the requirements and budget of your group. Please contact us for further details.
