

We are recruiting for

Water Treatment Operative

With new pay rates and benefits!

About the role

We are looking for a Water Treatment Operative to join our team and work in our Water Treatment area, at our site in Hawes, North Yorkshire. This is a permanent role with some flexibility around hours and days.

The role involves the operation of our Dissolved Air Flotation (DAF) plant, treating all wastewater within consent levels, carrying out daily tests, managing flowrate, sampling, managing tanker collections, and taking meter readings.

We ask that you have attention to detail, are reliable and can work independently once fully trained.

Location

Wensleydale Creamery, Gayle Lane, Hawes, Wensleydale, North Yorkshire, DL8 3RN

Hours and pay

Working hours: 40 hours (part-time and job share considered)

Hourly rate: £9.60 per hour starting rate, £11.10 per hour after probation & training (6 months)

We support and care for our team by providing you with....

- 33 holiday per annum (pro rata for part time colleagues)
- Site bonus scheme
- Health cash plan- claim money back to a set limit of c. £700 per annum on essential healthcare
- Long service recognised every 5 years
- generous employer pension scheme
- Life assurance
- Discounted branded products
- My Staff shop - access to exclusive benefits, free advice and savings - providing great discounts from thousands of the UKs largest retailers & service providers and 33 holiday per annum (pro rata for part time colleagues).
- Employee Assistant Program

How to apply
